Subdivision Plan City Approved

The plat for the proposed new Pahokee subdivision, known as Observation Heights, was approved by the City Council in a special "adjourned" meeting last week. The subdivision, located next to Verville, south of Greenacres Ave., will be developed by the Henry and Jon Merkle Construction Company, starting with 12 lots.

The approval was subject to the posting of a \$4,000 performance bond by the subdivider for streets and water facilities, and agreement by the subdivider of the postponement of the extension of Fern Street until the City obtains an easement for the east half of the street from the County Board of Public Instruction, as recommended by the City Planning Board.

Another Pahokee subdivision is being planned by Blanton and Unwin, Inc., Pahokee contracting firm, which has purchased Tracts 27, 23 and 29 on Bacom Point Road across the street from the H. J. Anderson residence, and has requested of the Council the rezoning of the plot from A (agricultural) to R-2 (residential). The City Planning Board recommends that lots bordering Bacom Point Road in this proposed new subdivision be classified as R-1 and the remainder, R-2. The Council will hold a hearing on the proposed rezoning of these tracts Mar. 13 at 8 p. m.

If plans for this new subdivision materialize as expected, Blanton and Unwin hope to start construction on two model homes by the middle of April, according to David Unwin, a member of the firm.

Evening Classes Pleasing Teachers

School officials are pleased with the public response to the eight study courses being offered by the Evening Classes Division of Palm Beach Junior College at Belle Glade High School, according to Pellon Morris, BG High Principal. The enrollment in the classes, which started Monday night, more than justifies the offering of the courses, Mr. Norris said.

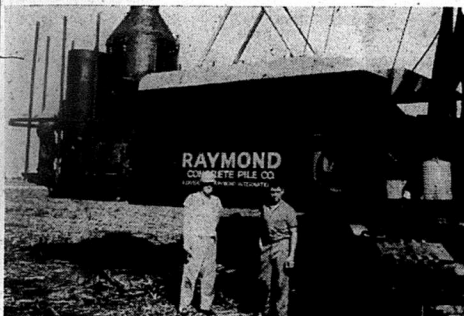

The classes are being held from 7 to 10 o'clock at night for 15 weeks, ending June 8. Registrations are still being accepted through the coming week, the sooner the enrollment the better for the student. Tuition is the same as for evening classes on the PBJC campus.

The schedule for the eight courses: Mondays—Introduction to Education, Room 4, and Freshman Communications, Room 5; Tuesdays—Accounting Principles, Room 14, Basic Algebra, Room 4, and Human Institutions, Room 5; Wednesdays—Fundamentals of Speech, Room 4, and General Psychology, Room 5; Thursdays—College, Algebra, Room 4.

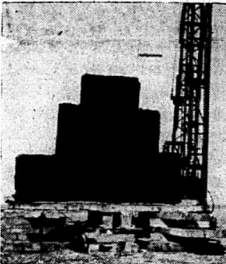

Persons interested in enrolling for any of these courses may do so at either the Pahokee or Belle Glade High School offices.

Mr. and Mrs. Frank Friend have as a guest her sister, Mrs. Violet White, of Savannah, Ga.

Driving Piling At Bryant Sugar Mill Site

This metal monster known in building circles as a steam pile driver is a busy piece of equipment these days at the Bryant Sugar Mill Site 1/4 mile east of Canal Point. Showing concrete piling into mother earth to a depth of 28 feet is its duty in an effort to find a secure footing for the mammoth new sugar mill to be erected by the United States Sugar Corp. The Raymond Concrete Pile Company is one of America's finest concerns doing that kind of business. The piling were manufactured from that superb concrete manufactured by Shirley Brothers of Pahokee and Belle Glade. Piling tests have shown that a secure footing can be found satisfactory on which to erect the mill and refinery. Shown in the picture are a couple of boys who do the work: Al Williams of Wauchula and Oscar Smith of Savannah.

In case you're wondering what that pile of black stuff is—don't worry any longer—it represents 150 tons of concrete placed in one heap to test one piling at the sugar mill and refinery site at Bryant where the U. S. Sugar Corporation is planning some mammoth installations. You'll note the derrick alongside that was used to stack up the heavy concrete blocks. It might be said that the piling tests have been satisfactory.

Here we have one of the Glades area pioneer residents, striped overalls and all, on his way to the Rotary club in Pahokee. As if you didn't know, it is that up-to-the-minute Frigidaire dealer, Olaf Boe of Pahokee.

Here we have a couple of school men. The chap with glasses is H. H. Austin, principal of the Pahokee Elementary School and his partner is, of course, the man on the school sign at the elementary school. Principal Austin was on his way to the regular weekly meeting of the Rotary club when he passed the sign at the same time the photographer came along.

An speaking of pioneers, here is another one at his daily routine: dispensing Good Gulf Gasoline. Ray Hawk, Sr., has been a resident of Canal Point for many, many years and has been selling this particular product for more than ten years from his familiar station in Canal Point.

Little Buck Loses Pocketbook And \$70

Little Buck Buchanan of Canal Point lost his pocketbook Tuesday and it contained \$70 in cash. He was on his way to the bank at the time he lost it. He retraced his steps with no luck. Little Buck has been sick for the past year or so and unable to work. Last week he put in some time and drew a pay check which he converted into cash. Then along came some more bad luck and the \$70 was gone. Buck said he would like to have his wallet back because it contained his drivers license, fishing license and all the many things that a man carries in his wallet.

Henderson Tells Lions About School

The need of high school students, who plan to continue their formal education at College, to settle down to their scholastic work early in their high school years was emphasized by Brooks Henderson, principal of Pahokee High School, in a talk at the weekly dinner meeting of the Canal Point Lions Club.

Introduced by A. F. Harrington, school trustee, the speaker said the curricula offered by the schools of Palm Beach County are more than ample for preparing a student for a successful first year in any college or university. Competent teachers are ever present to guide the student through the high school courses of study, but the student must cooperate, must apply himself. We give them every encouragement and opportunity to learn, but the high school student has reached the stage of mental maturity where he must decide for himself whether or not he wants to learn, Principal Henderson said.

The trouble with many high school students is that they wake up to their responsibilities too late, graduate with low grades, then blame their high school when they cannot make passing grades in their first year college courses, he added.

The Lions discussed at the meeting tentative plans for their annual collection of funds to cover costs of lighting the streets of the community.

How To Avoid A Heart Attack Told

A short course on "Controlled Diets" will be held at the Pahokee High School under the auspices of the Heart Association. The course will consist of four classes of two hours each to be held on Mar. 7, 9, 14 and 16. Subjects such as controlled fats and calories, low sodium and bland diets will be taught by Miss Mary Anne Marshbourne, nutrition specialist. She will be assisted by Mrs. Latham, who will demonstrate the preparation of some of the foods described in the course.

"Now it's Pepsi For Those Who Think Young" will be theme of a new advertising-promotional campaign for the Pepsi-Cola Co. It will replace Pepsi's "Be Sociable" campaign which has been running for two years.

Garden Club Again Widening Of US441

Still alarmed at the prospect of having church and school grounds and public park disfigured should the proposed widening of US 441 through the downtown business section of Pahokee be carried out, the Pahokee Garden Club at the February meeting at the home of Mrs. C. L. Shirley, Sr., drew up a petition expressing opposition to these plans and suggesting that the highway, should it be widened, bypass the downtown section with its churches, schools and park. The petition will be circulated through the community by club members. Other civic groups desiring to join this movement are to contact Mrs. J. M. Elliott.

The club also opposes the use of Hoover Dike as a pasture for cattle in the Pahokee area and is sending a letter of protest to office of the U. S. Engineers at Clewiston.

Samples of the Easter favors club members are making for food trays of patients at the Everglades Memorial Hospital were displayed by Mrs. Lloyd Hundley, therapy chairman. The Canal Point Garden Club will assist in this project. A letter from Luke DuFresne, hospital administrator, thanked members for tray favors furnished on St. Valentines Day.

It was reported the Sodbusters Garden Circle has joined the State Federation of Garden Clubs. Plans were made for a benefit rummage sale.

A program on "Colias" was presented by Mrs. J. T. Platt, who displayed colia specimens which she had rooted from cuttings and preserved each member with a colia plant grown from seed. Color slides of local garden scenes were shown by Mrs. H. C. Graham.

Luncheon hostesses at the meeting were Mrs. C. L. Shirley, Sr., Mrs. D. M. Hillier, Mrs. C. C. Lemonds and Mrs. L. L. Shirley.

Extension Given Pahokee Farms, Inc

TALLAHASSEE — An extension until May 1 of a lease on Pelican Bay land to Pahokee Farms, Inc. was granted by the state Tuesday. The move is part of a deal which saw the state pay Richland, Inc., who held a lease on the 2,920 acre tract, for 20 years, \$30,000 for pumps.

In delaying effective date for the lease the state loses five months rent, or approximately \$45,000. However, rentals to be paid by Pahokee Farms from May 1 to Dec. 31 will amount to \$72,000.

The agreement was worked out in a private meeting last week between Pahokee Farms Inc. and the Internal Improvement Fund.

Attorney General Richard Ervin said the state will lose about \$35,000 on the overall deal but termed the settlement a good deal.

More people are killed by bees stings than by snake bites each year, says Ross Allen, renowned authority on reptiles of Silver Springs. Bees often inject a toxic substance into their victims along with their stingers.

Mrs. Emma Wheeler Honored At Luncheon

Mrs. Christine Elliott honored her mother, Mrs. Emma Wheeler, and mothers of friends at a mother-daughter luncheon at her home on East Main. Spring flowers were used by the hostesses in the table decorations. Other mothers and daughters attending were Mrs. Catherine Boynton of Canal Point and Mrs. Anna Faulk of Belle Glade. Mrs. Tish Daughtery of Indiantown and Mrs. Charlotte Walston of Pahokee, Mrs. Saran Hendrickson of New York and Mrs. Ethel Johnson of Pahokee.

Betty Williams To Wed Earl L. Norris

The engagement of Miss Betty Williams, daughter of Mrs. M. L. Barfield of Canal Point and Leon Williams of Havana, Fla., to Earl L. Norris, son of Mr. and Mrs. Wilbur W. Norris of Norfolk, Va., has been announced by her parents.

The bride-elect, a graduate of Pahokee High School, Class of 1960, is also a graduate of a business college in Tallahassee.

Mr. Norris, who joined the U. S. Air Force after graduating from Vinson High School, Huntington, West Va., attended the USAF radio school at Keesler AFB, Biloxi, Miss., and served overseas for two years in Japan. He is now stationed at Holloman AFB in New Mexico.

The wedding will take place at the Bible Baptist Church, Alamogordo, N. M., June 17.

Miss Patsy Mims To Wed. J. R. Orlando

The engagement of Miss Patsy Louise Mims, daughter of Mr. and Mrs. Louis F. Mims of Pahokee, to James Richard Orlando of Sanford, Fla., has been announced by her parents. He is the son of Mrs. Judith Orlando, West Wellington, Chicago, Ill., and Vincent J. Orlando, West Drummond Place, also Chicago.

The bride-elect graduated from Pahokee High School in 1960 and is now attending Jones Business College, Orlando, Fla.

Mr. Orlando is a graduate of Forman High School, Chicago, Class of 1959. Following graduation he joined the U. S. Navy and at present is stationed at the Naval Jet Air Base Training Center at Sanford.

The wedding is being planned for early April.

Baptist Circles Meet In Canal Point

The Hannah Scoggin-Annie Jones Circle of the Canal Point Baptist WMS met at the home of Mrs. H. G. Rodgers at Bryant for their February meeting. The meeting was Thursday Feb. 16 at 8 p. m. Mrs. J. E. Rodgers was hostess. Mrs. D. P. Hughes, General Prayer Chairman, was in charge of the program.

The circle unit theme was Alcohol and Narcotics education, and the February program topic was Retreat or Responsibility. Mrs. Charles Maxson gave the devotional. Others taking part on program were Mrs. J. S. Atkins and Mrs. C. D. Stewart. Mrs. Charles Maxson, Circle Chairman, presided over the business session, and plans were made for the Week of Prayer for Home Mission, March 6-10.

Small adhesive telephone stickers were given each member present as a prayer reminder for Home Missions. It was announced that the March meeting will be at the home of Mrs. S. A. Nall with Mrs. J. H. Strayer in charge of the program.

Thomas Elliotts To Move To Mississippi

Mr. and Mrs. Thomas Elliott are moving next month to Meridian, Miss., after many years of residence in Pahokee. Mr. Elliott, who has been in the used car business at Belle Glade, will be employed by the Noble C. Faulk Enterprises at Meridian. Mrs. Elliott has been employed in the offices of Winn-Dixie Stores, Inc., at Canal Point for the past five years.

The Elliotts were honored at a farewell party and picnic dinner given by members of the Church of Christ at the Belle Glade City Park. Mrs. Elliott was also honored at a dessert bridge given by Mrs. C. A. Major and Mrs. O. R. Bleech at Mrs. Major's home in Pahokee.

AT MOORE HAVEN MEET

The Pahokee Chapter, Order of Eastern Star, was represented at the installation ceremony for new officers of the Moore Haven OES Chapter Saturday night by Mrs. Ruth Meredith, Mrs. Judy Sapp and Mrs. Jenny McKinstry. Mrs. Sapp was installing chaplain.

Special Classes Spanish Planned

Classes in Conversational Spanish and English for new Americans were organized at the local high school Tuesday evening with the first meeting of the Conversational Spanish class set for next Monday evening, February 27th and the English for New Americans class set for Wednesday evening, March 1st. Both classes will meet at 7:00. Registration is still open.

Mr. Martin V. Campbell, Director of the Department of Adult and Veterans Education for the County Schools states that a great deal of interest has been shown in two other classes, Speech Improvement and Reading Improvement. If the demand is great enough, these two additional courses will be offered at this time. Anyone interested in these courses should call the High School for further information and be present at the School Monday evening, February, 27th.

Richard Tillis was confined to his home with the measles the past week.

Susan Johnson On Dean's List At FSU

Miss Susan Griscom Johnson, daughter of Mrs. C. G. Johnson of Pahokee, was one of the students at Florida State University with high scholastic ratings named on the dean's list for the past semester. Susan graduated from Pahokee High School in 1957 and is now a junior at FSU where she is majoring in education. She is a member of the Phi Mu Sorority.

DONATES TO CLUB

A. R. (Slim) Carney of Miami, advertising novelties salesman, was a guest at the Tuesday luncheon meeting of the Pahokee Lions Club. Mr. Carney told the Lions why it is his policy to give 10 per cent of the profit of every sale made in Pahokee to their club—he likes to assist in their commendable work in sight conservation and other public service projects. Any business firm or individual in need of advertising novelties can contact Mr. Carney through any member of the club.

Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{3}{4}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{4}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

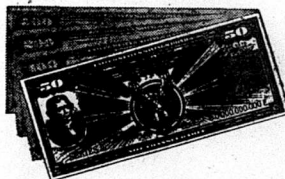

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

You save more than money

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months), —they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2085 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Christian Science Group Of Canal Point

How the application of Christ Jesus' teaching to daily living brings increased blessings to mankind will be emphasized at Christian Science services Sunday.

Among the Scriptural selections to be read in the Lesson-Sermon entitled "Christ-Jesus" is the passage in which the Master states: "Whosoever cometh to me, and heareth my sayings, and doeth them, I will shew you to whom he is like: he is like a man which built an house, and digged deep, and laid the foundation on a rock" (Luke 6:47, 48).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include this (15:28-30): "Practice not profession, understanding, not belief, gain the ear and right hand of omnipotence and they assuredly call down infinite blessings."

Billy Graham in Clewiston On March 13th

CLEWISTON — Billy Graham, world-acclaimed evangelist, will take time out from his Miami Crusade to bring the word of Christ here on Monday night, March 13.

Graham has often expressed a desire to preach to an audience in a smaller community and to members of the Seminole Indian tribes. Both desires will be fulfilled when he speaks in Clewiston.

An arrangements committee has been formed to place seating for the Seminoles in a position of honor

at the Clewiston High School Athletic field where the service will be held. The committee is planning to place additional seats on the field itself in addition to the stadium stands. Thus an overflow crowd which is expected can be accommodated.

Graham and his representatives as well as clergymen and business people in Clewiston have extended a cordial invitation to residents in nearby cities and towns to attend the service which will start at 7:30 o'clock.

Week Of Prayer Plans Discussed

Mrs. D. P. Hughes, General Prayer Chairman for the Canal Point Baptist WMS had a committee meeting at the Church Feb. 15 to discuss plans for the Week of Prayer for Home Missions to be held March 6 through March 10. The following dates are to be used in the week of prayer. Monday, March 6 at 3 p. m. Tuesday March 7, 9:30 a. m. Wed. March 8 at 7:30 P. M. Thursday March 9 at 9:30 a. m. and Friday night at 7:30.

The Ione Patterson Circle will be in charge of the Monday and Thursday programs. The Hanna's Scoggin-Annie Jones Circle will present the programs on Tuesday, morning and Wednesday and Friday nights. All meetings will be at the church.

It has been announced that the

Mission Book, The Dreamer Cometh, by Carleton, will be taught by Mrs. Richard Heller, President of the Association WMU on Thursday night March 9 at the church. The time of this book study will be announced later.

Buddy Lampi Has Fractured Arm

Robert O. (Buddy) Lampi, II, Pahokee High School sophomore, suffered an arm fracture during his physical education period at the school Monday afternoon. The injury occurred as he was playing "catch" with a baseball and fell as he was running for the ball, landing on his left arm and fracturing the forearm. The son of Bandmaster and Mrs. R. O. Lampi, he is one of the ace trombonists in the PHS Band and is going to be missed until he is able to play again.

Bud Dickinson To Speak State Chamber Meeting In DeLand

DELAND—Fred O. Dickinson of West Palm Beach, chairman of the Florida Development Commission's Council of 100, will be luncheon speaker at a State Chamber of Commerce regional meeting here March 8.

Businessmen from throughout the Chamber's 11-county Fifth District and Volusia County will join members in discussing economic proposals which should be pushed for passage before the 1961 state legislature and 87th session of Congress.

Dickinson will be one of several top Florida speakers being scheduled on the agenda. The former state senator and newly-elected director of the State Chamber is expected to lay out specific plans of the Development Commission's Council of 100, particularly in the area of tourist promotion.

The meeting, co-sponsored by the DeLand Chamber of Commerce, will begin at 10 A. M. in the Stetson University Student Union Building. The DeLand and State Chambers are hoping for an attendance in excess of 300.

The Chamber Fifth District is composed of Gilchrist, Alachua, Putnam, Levy, Marion, Citrus, Sumter, Lake, Seminole, Orange and Osceola Counties.

Sheriff J. W. (Jimmy) Turner of Levy County was recently elected president of the Florida Sheriffs Association at a meeting of the group in Mount Dora.

HOME DEDICATION

More than 50 persons attended the dedication ceremony for the new home of Mr. and Mrs. Walter S. Cross at Third and Everglades Ave., Canal Point, Sunday afternoon. Those from out of town were Mrs. L. W. Mullis of Pahokee, Mr. and Mrs. G. W. McClure, Mrs. Edward Rogers, Mr. and Mrs. Roy L. Litchfield, Mrs. Elsie Scruggs, the Rev. Hugh J. Rudder, the Rev. Edward H. Straner, Mr. and Mrs. Jack Little, all of Belle Glade, and Mr. and Mrs. H. D. Branyon of Melbourne.

Outstanding Men Named In Florida

PANAMA CITY—James Kynes, Jr., executive assistant to Gov. Farris Bryant, headed a list of five men named recently by the Florida Junior Chamber of Commerce as the state's most outstanding men of 1960.

The others were A. Worley Brown, chairman of the Florida Industrial Commission; State Representative Welborne Daniel of Clermont and Reubin Askew of Pensacola, and Miami attorney William Corson.

They received awards from the state Jaycee president, L. M. Johnston, Jr., of Pompano Beach. Former Sen. Fred Dickinson of West Palm Beach commended them for their achievements.

GENERAL MEETING

The General meeting of the Canal Point Baptist WMS will be at the church Feb. 27 at 8 p. m.

Phone Company Man Is State Chairman Radio Free Europe

Claude J. Yates, Vice President and General Manager of Southern Bell Telephone Company, Jacksonville, has been named State Chairman of the Radio Free Europe Fund (Crusade for Freedom).

The announcement was made by Charles E. Daniel of Greenville, South Carolina, Regional Chairman of the Radio Free Europe Fund.

Mr. Yates succeeds John M. Fox of Orlando, Chairman of the 1960 Radio Free Europe Fund Committee in Florida. W. B. Murphy, President of Campbell Soup Company, is National Chairman of the Radio Free Europe Fund.

Radio Free Europe is a privately managed and supported operation beaming its broadcasts into the Iron Curtain countries of Hungary, Bulgaria, Poland, Czechoslovakia, and Romania. The Radio Free Europe Fund supports this broadcasting operation through an annual public information and fund program.

Mr. Yates has formerly served as Duval County Chairman of Radio Free Europe and last October was one of the sixty Americans making an inspection of Radio Free Europe facilities in Munich and Berlin, Germany, and Lisbon, Portugal.

In announcing Mr. Yates' appointment, Mr. Daniel underscored the urgency of the Radio Free Europe Fund campaign by noting that 90 per cent of the persons living in target areas behind the Iron Curtain listen regularly to Radio Free Europe. "The loyalty of these once-free peoples to the free world is evident by their loyalty to Radio Free Europe itself," Mr. Daniel said. "I am sure that with Mr. Yates' fine leadership, the people of Florida will once again demonstrate their willingness to keep alive hopes for freedom and the Christian ideals which link us with these people."

PROCLAMATION

The Future Farmers of America is a national organization of, by and for farm boys who are studying vocational agriculture in the public high schools of the nation. A local chapter of this fine organization is active in the Pahokee High School.

As America's future farmers, these young men hold in their minds and hands the progress that this community and this nation may make in the years to come, because a prosperous and productive agriculture is the very foundation of our American standard of living. We will need good farmers in our future.

As students of vocational agriculture in high school they study the scientific, economic, and mechanical aspects of modern farming. As members of the Future Farmers of America they learn through active participation how to conduct and take part in public meetings; to speak in public; to market farm products; to solve their own problems; to finance themselves, and to assume civic responsibility.

The population of America and of the world is undergoing tremendous growth. Despite the great abundance of agriculture products today, it is vital to our future happiness and security that we maintain a supply of skilled farmers and other agricultural workers to assure that there always will be plenty of farm products to supply our needs. Future Farmers of America are training for this important work. It is fitting that we honor them.

I, therefore, join with others throughout the nation in proclaiming February 18-25, 1961, to be Future Farmers of America Week. I urge all people of this community to become acquainted with and give full support to the program of vocational education in agriculture, and to its students, the Future Farmers of America. They are the successful farmers and rural leaders of tomorrow.

Duncan Padgett
Mayor of Pahokee.

Prosperity Is Just Around The Corner

TALLAHASSEE—State Budget Director Harry Smith says prosperity in Florida is just around the corner.

In a special report to the governor and cabinet, Smith said all signs point to 1961 as a "year of recovery" and to 1962 as a "year of prosperity."

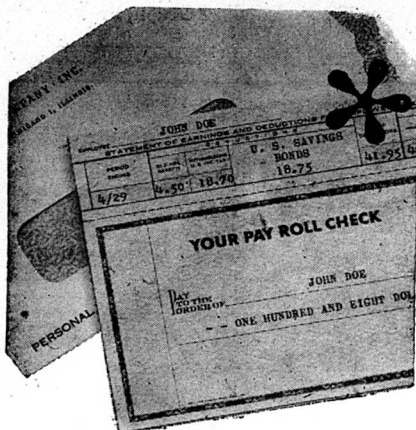

Smith said he based his estimate of Florida's immediate future on past history and on his personal knowledge of the state's business cycle.

R. A. Riedel, new Hotel Commissioner, recently announced that Florida's tourist business as it applies to hotels and motels has been off approximately 10 per cent so far this year.

Ray E. Green, State Comptroller, had also announced a slight reduction in sales tax collections, a true barometer of business conditions in the state from month to month.

TO RAISE HEART FUNDS

Mrs. A. D. Beverly, Mrs. Hugh Branch and Mrs. J. T. Boynton are in charge of the fund-raising drive for the Heart Association in Pahokee, and Mrs. Elmer Maxson is chairman of the drive in Canal Point. The drive started this week.

NEWS HEADLINERS

(By Paul Rardin, Real Estate Editor)

Here in this spot every now and then we will make an attempt to bring our readers up-to-date on real estate happenings in the area of Palm Beach County west of 20 Mile Bend in this wonderful area known far and wide as the Lake Okeechobee Farming Region. If you have a real estate transaction you'd like for the world to know about, just get in touch with the recently appointed Real Estate Editor of The Everglades News.

A new high has been set for muck land if J. G. Weeks' experience in purchasing an acre can be any criteria. Mr. Weeks bought one acre from Lewis Friend on Farmers Market Road just west of Larrimore Road and the purchase price was \$2500. Blanton and Unwin, who recently purchased another acre for a materials yard also paid \$2500 for this plot.

Cuban-American Sugar Co. has announced plans to buy controlling interest in Florida Sugar Corp. and will have 6,000 acres of Palm Beach County muckland in cane before Christmas. The company will operate a mill now being erected near Belle Glade and expects to grind its first sugar this fall. Some 2,000 acres of cane is already growing. 175 persons will be employed in the mill and another 200 in the fields when grinding operations begin in the fall. Field help will be increased when the entire 6,000 acres is ready for harvesting.

A deal consummated several weeks ago on a piece of up-town property in Canal Point will be of interest to local citizens. It has to

do with the piece of property immediately south of the bridge and canal in Canal Point and on which was formerly located the old pool room. C. E. Ward of West Palm Beach sold it to Standard Oil Company of Louisville, Ky., for \$23,000.00. The sale includes lots 1 to 4 inclusive and Lots 28 to 31 inclusive and a part of Lot 32 in Nemaha addition which is the area south of the Canal in Canal Point. Test piling were driven on the lot last week by Ernest Maxwell, Pahokee piling contractor, which might mean that a new Standard Oil Station is to be erected there in the not too distant future.

Thadd Whidden In New Law Offices

Attorney Thadd Whidden is now located in the Jones Building on Bacom Point Road in Pahokee where he has taken a suite of offices. He moved from the upstairs location in the Armstrong building in an effort to make his offices more easily accessible to his patrons.

Blue Devils Lose Close One To L. W.

Coach Bill Howard's Pahokee High Blue Devil basketball team gave the visiting Lake Worth Trojans, 1961 Suncoast Conference champions, a real battle Tuesday night before going down to a 59-52 defeat. At the half time the Blue Devils led, 28-27, and were more than holding their own with the Trojans until three of the Pahokee starters, Sanders, Suggs and Gamble, fouled out, thus weakening the team. Sanders with 22 points and Hundley, with 15, led the scoring for Pahokee. Last Friday night the Blue Devils were defeated by Belle Glade, 43-35. In this game also they were ahead at the half time, 20-14.

The last game on the Blue Devil schedule will be played on the home court this Friday night with Naples. Pahokee will participate in the Class B Tournament at Okeechobee, Mar. 2, 3, 4. Pahokee and Clewiston to meet the first round of the tournament Thursday night, March 2.

Sports being planned at Pahokee High School this spring include baseball, tennis and track. This will be the first year PHS has had a baseball team in a long, long time, if ever. It will be coached by Fred Smith and Bob Maxson, and has 22 games scheduled. Leland Keene will coach the tennis teams.

March 1 Is Set For Bandage Making

Wednesday, Mar. 1, from 8:30 a. m. to 2 p. m. has been designated as another day of helpfulness for the making of bandages and dressings for cancer patients by the Methodist Woman's Society of Christian Service and the Baptist Woman's Missionary Union, sponsors, at the Pahokee First Methodist Church. All women of the community are invited to join in this project, part time or full time. Clean worn sheets and pillow cases are needed. Persons having these articles for donation are asked to contact Mrs. Lloyd Hundley, chairman, who will pick them up.

Larry Grimes Hurt When He Hits Car

Larry Grimes, second grade pupil at the Pahokee Elementary School, received minor scratches and bruises when he ran into the side of a car driven by Mrs. E. B. Gamble at the corner of Cypress and SE Third St., Pahokee. He was held overnight at the Everglades Memorial Hospital for observation before being dismissed Tuesday morning.

Mr. and Mrs. Frank Wilson had as guests the past weekend his nephew, Merle Wilson, and family, former Canal Point residents now living in Miami.
